Circular 327: Concerning Correction of Legal Status and Documentation in Compliance with the Private Companies Regulations 2016

Date: August 15, 2019

Dear Business Partner,

We refer to **Circular 315** sent by the Dubai Development Authority to business partners in April this year, Concerning Correction of Legal Status and Documentation in Compliance with the Private Companies Regulations 2016 (the "PCR").

Following Decision No (4) of 2019 issued by the Authority, to enable the Authority to effectively implement the PCR, and in order to assist business partners to come into full compliance with the mandates of Regulation 4.3 of the PCR, the Authority hereby further extends the period for companies to correct its legal status and documentation.

The Authority notes you have not yet adopted the new form AOA and requests you to attend to this requirement as soon as possible, either at your next licence renewal date or prior to 31 December 2019, whichever is earlier.
